## Media Release

### Cargolux expands Brazil network with Rio de Janeiro

*Luxembourg, 17 February 2016* – Cargolux Airlines International S.A. returns to Rio de Janeiro with a full freighter service starting 4 March 2016. Flight CV7645 leaves Luxembourg on Fridays at 12.00h and arrives in Rio de Janeiro at 23.30h (all times GMT). The flight continues to Viracopos before returning to Europe as CV7656. Arrival in Luxembourg is scheduled for Saturdays at 15.30h.

The return to Rio was driven by growing demand for pre-Olympic Games freight capacity between March and August. The Olympic Summer Games 2016 will take place from 5 August to 21 August and shippers have already expressed interest in using the expertise of Cargolux for their valuable equipment.

In addition, Cargolux expects to carry car parts and spares, chemicals, electrical goods, consolidated freight and household goods on its services to Rio de Janeiro.

Alongside Viracopos/São Paulo and Rio de Janeiro, Cargolux also serves the Brazilian gateways Manaus, Petrolina and Curitiba.

#### **About Cargolux Airlines International**

*Cargolux, based in Luxembourg, is Europe's leading all-cargo airline with a modern and efficient fleet composed of 13 Boeing 747-8 freighters and 12 Boeing 747-400 freighters. The Cargolux worldwide network covers 90 destinations, some 70 of which are served on scheduled all-cargo flights. The company has more than 85 offices in over 50 countries, and operates an extensive global trucking network to more than 250 destinations as well as full and part-charter services. Cargolux also offers third-party maintenance at its modern two-bay maintenance hangar in Luxembourg. The company is specialized in B747 line and hangar maintenance up to and including C-Checks. It offers a range of specialized maintenance services and holds line maintenance approval for 777 aircraft. The Cargolux Group employs close to 1,900 staff worldwide.*
