Yusen Logistics Launches New Ho Chi Minh – Los Angeles LCL Service

Yusen Logistics, the global logistics and supply chain provider, is pleased to announce the expansion of its Direct LCL Services by adding a weekly service from Ho Chi Minh to Los Angeles to its growing LCL network.

Yusen Logistics now operates an extensive LCL network departing from multiple Asian countries, strengthening their position in the Trans-Pacific LCL market. Their new Ho Chi Minh LCL service is the latest innovation-driven solution that has made Yusen Logistics a leader in the transportation industry since 1955.

The service features weekly sailings from Ho Chi Minh, departing on Thursday and arriving in Los Angeles 18 days later. In the U.S., Yusen Logistics supports their LCL Services with their suite of domestic transportation services, providing an integrated transport management solution for customers' domestic and international transport needs.

"Over the past 12 months we have opened 51 new direct LCL services, including eight direct Asia-to-U.S. lanes" said Joseph Goldman, Director of Operations at Yusen Logistics. "This is part of our long-term freight forwarding strategy that also includes strengthening our air freight product and our domestic network. We are planning to grow our direct LCL product an additional 20% this year, with a focus on developing our Trans-Atlantic capabilities while continuing to grow in Trans-Pacific market".

Yusen Logistics offers a complete transport and logistics portfolio of services to some of the world's largest companies. They offer full end-to-end service coverage including origin cargo management, ocean freight forwarding, air freight forwarding, warehousing, reverse logistics,

surface transportation and integrated supply chain solutions. The company operates more than 400 locations in 37 countries around the world.
