

Air Partner expands Freight Team

Leading air charter broker and Royal Warrant holder Air Partner is pleased to announce the appointment of Finn O'Donnell-Sacco as an Account Manager within the UK Freight team.

Finn joins Air Partner having recently graduated from Loughborough University with a degree in Air Transport Management. During his studies, Finn spent 15 months working in freight charter broking and joins the team with a firm understanding of the industry.

Clive Chalmers said: ***"We are delighted to welcome Finn to the Freight team – his skills, experience, and approach will complement the team we have in place, and will help us to continue building on the successes we have achieved to date. Finn will be responsible for delivering excellent service to our existing clients, as well as building a portfolio of new freight charter clients as we continue to grow our market share."***

Air Partner Freight is a leading aviation firm with considerable experience; the company's flexibility and bespoke service means that they can meet the most demanding schedules every time. For over 50 years, Air Partner has been the trusted choice for multi-national corporations, industries, governments and aid organisations across the globe. The company is fully listed on the London Stock Exchange and holds the aviation industry's only Royal Warrant to HM Queen Elizabeth II, demonstrating its strength and secure financial stature.

About Air Partner Freight

Air Partner Freight charters aircraft of every size to fly cargo anywhere, at any time, whatever its weight, size or shape. Serving governments, leading industrial shippers and relief and humanitarian organisations, the freight team provides bespoke air charter solutions to meet a wide range of cargo charter needs. From urgent 'go now' requirements moving small quantities of automotive spare parts between plants through to the most complex project cargo shipments taking several months to plan, Air Partner Freight has the skills, experience and expertise to ensure shipments are handled securely and reliably. London Gatwick-based Air Partner Freight's cargo specialists in the UK, USA, Dubai, Germany, France, Turkey, Hong Kong and Japan provide strength of knowledge by utilising regional carriers for tailored charter services.

About Air Partner

Air Partner has been trading for 50 years and is a world leading provider of aviation charter services to industry, commerce, governments and individuals worldwide. The Group is globally recognised as a leading charter broker and organises ad hoc aircraft charters of every type for any reason. Its three main divisions comprise Air Partner Freight, Air Partner Commercial Jets and Air Partner Private Jets. The Commercial Jets division charters large airliners to move groups of any size. Private Jets offers the company's pre-paid JetCard scheme and on-demand charter. With its headquarters alongside Gatwick airport in the UK, Air Partner operates 24/7 year-round and employs 225 aviation professionals across its 21 offices spanning Europe, North America, the Far East and Middle East. Air Partner is the only company in the aviation industry to hold a Royal Warrant, a globally recognised mark of excellence.
