

## ***AirCargoGroup (ACG) joins Global Project Logistics Network (GPLN) as a main vendor sponsor to provide Global Wholesale Airfreight Services***

- The Global Project Logistics Network is the largest and most recognized, non-exclusive, projects logistics network specializing in international project movements and specialized lifts. [www.gpln.net](http://www.gpln.net)

"It is a win-win partnership, our enrolment to GPLN allows our offices access to the world of Projects and Heavy lift professionals, while ACG can now offer special wholesale airfreight rates via our blocked space agreements and neutral scheduled consolidation services to all the GPLN members under volume incentive discounts, says: Christos Spyrou, Executive Director of AirCargoGroup.

Luzius Haffter, GPLN Executive Director says: "We are very pleased to welcome AirCargoGroup (ACG) as a new sponsor to our network which will be beneficial for many of our GPLN members who can take advantage of the special wholesale airfreight rates offered by ACG."

## ***AirCargoGroup (ACG) sponsors The Freight Summit (TFS) in Bangkok 13-15 2013***

- 03 August, 2013
- The Freight Summit ( TFS) provides freight forwarders a neutral networking platform to interact with multiple alliances, hundreds of other independent international forwarders, logistics media and solutions providers in one place at the same time. TFS has been attended by more than 2000 forwarders from all over the world since 2008. [www.thefreightsummit.com](http://www.thefreightsummit.com)

"Our Silver Sponsorship and participation to the TFS allows our Global Partners to meet and conduct business with numerous retail freight forwarders ,by offering our special

wholesale airfreight rates and neutral scheduled consolidation services , as well to promote the concept of Neutral Airfreight Wholesale to the Industry “ says Christos Spyrou ,Executive Director of AirCargoGroup.

Nils Walle ,TFS Director says:

"We are honored to welcome the AirCargoGroup at the TFS this year. This is an excellent opportunity for our community of independent and proactive forwarders to interact and develop opportunities with Wholesale Airfreight Specialists. "

**About ACG**
