

Amring Awards Agility Six-Year Logistics Contract

Deal with Swedish automotive company prompts expansion of Agility facility in Gothenburg

BAAR, Switzerland – November 24, 2016 – [Agility](#), a leading global logistics provider, has won a six-year warehousing and logistics contract with Sweden-based Amring, a wholesaler that sells and distributes tires, rims, complete wheels and related articles for passenger vehicles, trucks and commercial vehicles.

Following the award, Agility announced plans to expand its Gothenburg logistics center from 8,350 sqm to 23,000 sqm. As part of the contract, it will provide warehouse services to Amring, as well as tailored, value-added services including mounting/assembling of wheels.

Agility will coordinate inbound and outbound transport for Amring. Using its extensive automotive logistics expertise, Agility will also provide Amring with supply chain assessment and consulting services.

“Agility brings sophisticated supply chain analysis and the creativity, flexibility, personal ownership, and timing we feel we need,” said Torbjörn Wilson, Managing Director of Amring.

Mats Nordin, Agility Managing Director Area Nordics, said: “Amring recognized the customer-focus and in-depth automotive knowledge Agility brings. We are committed to tailoring solutions that make Amring more nimble and efficient. We are looking forward to collaborating with the Amring team and to expanding our Gothenburg facility to accommodate their specialized warehousing and logistics needs.”

###

About Agility

Agility brings efficiency to supply chains in some of the globe’s most challenging environments, offering unmatched personal service, a global footprint and customized capabilities in developed and developing economies alike. Agility is one of the world’s leading providers of integrated logistics. It is a publicly traded company with over \$4.3 billion in revenue and more than 22,000 employees in 500 offices across 100 countries.

Agility's core commercial business, Global Integrated Logistics (GIL), provides supply chain solutions to meet traditional and complex customer needs. GIL offers air, ocean and road freight forwarding, warehousing, distribution, and specialized services in project logistics, fairs and events, and chemicals. Agility's Infrastructure group of companies manages industrial real estate and offers logistics-related services, including e-government customs optimization and consulting, waste management and recycling, aviation and ground-handling services, support to governments and ministries of defense, remote infrastructure and life support.
