PRESS RELEASE

X-Pand International Freight Ltd continues its expansion into Essex

X-Pand have recently opened a new office and warehousing facility in Basildon, Essex to cope with the increasing demand from its 3PL customers.

Whilst ideally situated to support our customers manufacturing needs, we are also looking to support the continued growth of the London Gateway Terminal and use our Basildon facility as our ocean freight distribution centre.

David Osborn, Sales and Marketing Director of X-Pand stated:

“We are particularly pleased with this major investment since it allows us to continue to grow our services and operations for our customers and overseas partners and confirms our commitment to this important region of the UK”.

X-Pand International Freight Ltd is a privately owned company whose head office is in Egham Surrey.
