## **Hellmann UK wins GOJO Industries UK & European road freight contract**

**18 July 2012:** Leading logistics provider, Hellman Worldwide Logistics UK, has announced a new road freight contract with GOJO Industries Europe Ltd.

The contract, which started in June, will see Hellmann UK manage all of GOJO Industries' UK and European road freight, catering for high quantities of monthly shipments, destined for a variety of European countries.

GOJO Industries is renowned for its innovative approach to hand hygiene and skin care solutions. With GOJO's European Head Quarters in the UK, Hellmann will manage the contract from its Basildon hub.

Jamie Smith, Warehouse Administrator at GOJO Industries, said:

"We chose to work with Hellmann based on the level of professionalism which the team displayed throughout the whole process. The cost reduction Hellmann are able to offer was among the most competitive and the IT systems Hellmann has in place are a good fit for our needs as a company. We tested Hellmann's service with some challenging deliveries before we made our final decision and were delighted with the service provided."

Neal McBride, Development Manager at Hellmann UK, continued:

"Having recently launched innovative dispensing systems and technologically advanced formulations, these are exciting times for GOJO - and we are glad to be a part of it. The team at Hellmann prides itself on offering exceptional customer service and putting the needs of the customer first, so we are really looking forward to our role in assisting in GOJO's growth."
