

■ **Turkey Israel Express (TIX) – Expanded port coverage**

June 22, 2015

Dear Customer,

We are pleased to announce that our recently launched new **Turkey Israel Express** service will offer an enhanced port rotation to better cater for your transport requirements.

The port coverage has now been improved by adding a regular **direct call in Ashdod, Israel** to the present rotation. The first voyage with the larger number of ports will commence with MV “Flintercoast” voyage 94771 / 009 WB, ETD Damietta, Egypt on July 4, 2015 with rotation being as follows:

**Damietta – Port Said (East) – Ashdod – Mersin – Haifa – Damietta**

Furthermore we would like to inform you that in addition the port of **Iskenderun, Turkey** will be added to our portfolio during 2<sup>nd</sup> half of July 2015.

The Turkey Israel Express provides a fast, reliable and weekly service, connecting major ports in Egypt, Israel and Turkey with mediterranean hubs. For ease of reference, please see standard transit times as set out below:
