

Zim to provide logistics services in India

Signed a Cooperation Agreement with Avvashya-CCI Logistics, a subsidiary of Allcargo Logistics Limited, India's largest logistics company in private sector

ZIM Integrated Shipping Services and Avvashya-CCI, a subsidiary of Allcargo Logistics Limited, India, have signed a cooperation agreement aimed at providing customers with comprehensive logistics services in India.

The agreement includes a wide range of services, including land transportation, customs clearance, warehousing and depot facilities and special cargo service. The agreement is part of ZIM's customer-oriented strategy designed to offer a wide range of services to customer .

ZIM Customers will be able to enjoy an agile and professional door-to-door cargo services, as well as complementary solutions, including container freight stations and depot facilities, unique solutions for heavyweight equipment, special projects & engineering, with access to storage, warehousing and distribution facilities, supported by high-quality infrastructure and 'state of art' hardware, to offer one-stop complete logistic solution.

Indrajit Dasgupta, ZIM India President, said: "We are upgrading and expanding ZIM's network to better serve the Indian market. This new cooperation enables us to offer a wide range of complementary solutions to our customers, bringing our services to new levels of efficiency and excellence. We believe that with the expertise and experience of Avvashya-CCI, and their comprehensive network across India, we can synergize our abilities for the benefit of the customers".

About ZIM: Since 1945, ZIM provides creative operational and logistical solutions to customers. Over the years ZIM has grown to become a leading force in the shipping industry, by pioneering innovative technologies and expanding its vast geographical network while maintaining its tradition of excellence.
