

Jan de Rijk Logistics expands European cooperation with China Eastern Airlines

China Eastern Airlines has granted a road feeder service contract for Prague and Amsterdam to leading transportation and distribution provider Jan de Rijk Logistics.

China Eastern Airlines starts services from Shanghai on Prague on June 23 with three flights a week. June 26. China Eastern will also start their first passenger flights between Shanghai and Amsterdam. The new connections will further expand China Eastern's presence in Europe.

Robert Kleppers, Senior Sales Executive Air Cargo at Jan de Rijk Logistics:

"We are extremely proud that China Eastern has chosen to expand the cooperation in Europe with Jan de Rijk Logistics. We have been working closely together with China Eastern / China Cargo for many years."
