## **Mundo International Logistics appointed FESCO agent**

**London, 20 April** - Mundo International Logistics UK has been appointed as FESCO North West Europe's UK agent, meaning it can now offer an expanded range of container services across Russia and CIS.

Through FESCO North West Europe, Mundo International Logistics UK is able to provide a range of maritime, rail and road transport services packaged as integrated or individual solutions.

Mundo International Logistics UK Director Malcolm Stafford said: "We are delighted to have been appointed as a FESCO North West Europe agent as it means we can offer our customers access to the services of one of Russia and the CIS's most comprehensive transport providers.

"This array of services is combined with our ability to provide customers with a high level of service, that is competitive, efficient, personal and customer focused."

FESCO North West Europe is part of the FESCO Transportation Group, which was established 1880 and is one of the largest operators in Russia and CIS.

FESCO North West Europe offers a weekly service from all main UK ports to following Russian ports: St.Petersburg, Vladivostok, Vostochny, Kholmok, Korsakov, Magadan, Petropavlovsk Kamch.

For more information on the transport services that Mundo International Logistics UK is able to offer in Russia and CIS, please contact:
