

NVO Consolidation Expands European Operations with New Hamburg Office Opening

NVO Consolidation is delighted to announce the opening of its new office in Hamburg as of 1st January 2015. This key new location extends the geographical coverage of NVO Consolidation's existing offices in Rotterdam, Antwerp and Manchester and further enhances the company's operations in the all important European market.

NVO Consolidation is one of the fastest growing consolidators in Europe and operates as a neutral, independently owned consolidator providing worldwide import and export LCL services.

The company's focus is on ocean consolidation for the freight forwarding industry and it maintains a strict policy of neutrality by selling services to freight forwarders only.

Using the major sea ports as a gateway, NVO Consolidation's pan-European CFS set-up enables customers to deliver and collect their consignments directly from the CFS in many European countries. The opening of its new office in Hamburg will extend NVO Consolidation's reach deep into Europe and further enhance its consolidation activities.

NVO Consolidation is proud to partner with many of the world's leading consolidators enabling it to provide reliable, competitive, fixed day import and export services across the globe, week in week out.

NVO Consolidation offers a comprehensive range of services and enhanced benefits:

- Worldwide LCL import and export services
- Weekly scheduled arrivals and departures
- Established and trusted global agency network
- Own CFS throughout Europe to ensure quick release of cargo
- Dedicated customs team for swift and efficient customs clearance
- European distribution
- Personal sales and customer service team
- 100% neutrality
