## About FIATA

FIATA, the International Federation of Freight Forwarders Associations, was founded in Vienna, Austria on May 31st 1926. It is a non-governmental organisation that today represents an industry covering approximately 40,000 forwarding and logistics firms, employing around 10 million people in some 160 countries. FIATA has consultative status with the Economic and Social Council (ECOSOC) of the United Nations (inter alia ECE, ESCAP, ESCWA, etc.), the United Nations Conference on Trade and Development (UNCTAD), and the UN Commission on International Trade Law (UNCITRAL) as well as many other UN related bodies, e.g. the World Bank. It is recognised as representing the freight forwarding industry by many other governmental organisations, governmental authorities, private international organisations in the field of transport and logistics, such as the European Commission (through CLECAT), the International Chamber of Commerce (ICC), the International Air Transport Association (IATA), the International Union of Railways (UIC), the International Road Transport Union (IRU), the World Customs Organization (WCO), the World Trade Organization (WTO), etc.
