## **Agility Appointed to Handle UK Automotive Aftermarket Show**

*Agility will be exclusive freight forwarder, on-site handling agent at Automechanika Birmingham*

**LONDON – Jan. 27** – Agility, a leading global logistics provider, has been appointed as the official freight and on-site handling contractor at the inaugural Automechanika Birmingham show, which will be held June 7-9 at the National Exhibition Centre in Birmingham, UK.

As official freight and on-site handling contractor, Agility Fairs & Events will assist exhibitors and their contractors with international logistics and shipping requirements for moving their exhibits to and from the trade show.

Organized by Forest Exhibitions in association with the SMMT, Automechanika Birmingham is UK's largest exhibition for the automotive supply chain and aftermarket. Taking place in the heart of the UK's manufacturing belt, the event will showcase the latest innovations and offer education and networking for the UK's growing automotive sector.

"We are very pleased to continue our long relationship with Agility, which has proven to be highly capable and professional in all their work with us," said Rob Sherwood, Managing Director, Forest Exhibitions Ltd.

"Automechanika is a highly successful trade exhibition for the automotive aftermarket. We have handled Automechanika shows in Frankfurt, so we are pleased to continue our involvement with the event and we look forward to making the inaugural show in UK a success," said Garcia Newell, Business Development Director for Agility Fairs & Events UK.

###

### **About Agility**

Agility brings efficiency to supply chains in some of the globe's most challenging environments, offering unmatched personal service, a global footprint and customized capabilities in developed and developing economies alike. Agility is one of the world's leading providers of integrated logistics. It is a publicly traded company with \$4.8 billion in revenue and more than 22,000 employees in 500 offices across 100 countries.

Agility's core commercial business, Global Integrated Logistics (GIL), provides supply chain solutions to meet traditional and complex customer needs. GIL offers air, ocean and road freight forwarding, warehousing, distribution, and specialized services in project logistics, fairs and events, and chemicals. Agility's Infrastructure group of companies manages industrial real estate and offers logistics-related services, including e-government customs optimization and consulting, waste management and recycling, aviation and ground-handling services, support to governments and ministries of defense,

remote infrastructure and life support.
