## **Agility Wins New Contract with ExCeL London**

*Awarded 'Official Logistics Partner' Status*

**LONDON– Feb. 16, 2015** – Agility, a leading global logistics provider, has been awarded a new contract by ExCeL London to be its exclusive supplier of logistics services. The contract was awarded after an extensive tender process.

Under the new three-year contract, Agility Fairs & Events will partner with ExCeL to provide event organizers, exhibitors and contractors with specialist event transportation and logistics, pre- and post-show storage, on-site receiving and delivery, forklift/mechanical handling equipment, and customer logistics advice and support.

In 2012, Agility Fairs & Events re-located its London-based team to ExCeL, making it the only logistics company on-site with staff offices and warehouse facilities. Being based at ExCeL gives Agility unrivalled knowledge of the facility and the ability to cater for any logistics requirements on-site or anywhere in the world via its global network of more than 500 offices.

“Agility has been working with ExCeL London since 2012 as its non-exclusive preferred freight operator. The new ‘Official Logistics Partner’ status given to Agility is a testament to our successful track record of delivering world-class logistics and shipping services that meet the demanding needs of the exhibition, conference and events industry,” said David Richards, Managing Director for Agility Fairs & Events UK.

On behalf of ExCeL London, David Pegler, CEO, said: “We are delighted to be working with Agility as our Official Logistics Partner and look forward to a long and successful relationship. Agility’s global network and local presence, combined with its knowledge of the exhibition and conference world, make it an outstanding partner for ExCeL.”

ExCeL London, the international exhibition and convention centre, is the host venue for a variety of events, from award-winning exhibitions and conferences to international association meetings, product launches, banquets, award ceremonies, and sporting events.
