## Rickmers-Linie appoints Oceanway as sales agent for Argentina

Rickmers-Linie, the heavylift and project cargo liner specialist has appointed Oceanway S.A. in Buenos Aires as its sales agent for Argentina with immediate effect. Oceanway will focus on sales of Rickmers-Linie's services to and from Argentina, especially where Argentinian companies are involved.

Gerhard Janssen, Director Global Sales and Marketing of Rickmers-Linie, commented:

"With the nomination of Oceanway we are taking further steps to reinforce our activities in South America. With our westbound Round-The-World Service making regular calls at ports on the South American East Coast we have gained a foothold on the continent. Together with Oceanway we will continue to develop our business further.

Muriel Maurizzio from Oceanway continued: "We have staff with vast experience in bulk, breakbulk and project cargoes. They will be glad to assist all of our present and future customers in their enquiries and in the development of new projects. We are very optimistic about this new challenge and would like to confirm that customers can count on our full support."

## Notes to editors

**Rickmers-Linie** is one of the world's leading specialists in the global transportation of break bulk, heavy lift and project cargo by sea. With regular sailings and reliable schedules, the company has set new industry standards. The "Round-the-World Pearl String Service" connects the core business areas of the world. Liner services between the US, Europe and the Middle East/India as well as special charter sailings on demand add value for the globally active customers. The route network is complemented by its Westbound Round-the-World Service.

The company belongs to Rickmers Group, which offers diversified activities in the segments of Maritime Assets, Maritime Services and Rickmers-Linie. Rickmers Group currently manages a fleet of more than 130 vessels.
