## FIATA SECRETARIAT

### PRESS RELEASE

#### **A positive start to the year for FIATA, with new memberships from across the globe**

In January 2016, 29 new memberships joined FIATA. We are so happy to be welcoming these new members and thank them for joining from all corners of the globe. FIATA is glad to be able to offer its members exclusive advantages; these are enticing and appealing to companies that want to benefit from FIATA's recognised value in public as well as other benefits that can be found at <http://fiata.com/membership/individual-members/benefits.html>. This month, the most members came from the United Kingdom and Italy with 4 new members each.

This is also the time of the year when many companies are renewing their membership with FIATA for 2016. We are happy to see the FIATA community holds strong with many renewals. This shows the trust and delight that members have with FIATA's services. FIATA works hard to support and maintain this brilliant relationship with its members.

For the record, here is the list of New Members which joined FIATA in January and has now been published on the FIATA website [www.fiata.com](http://www.fiata.com):

### **About FIATA**

FIATA, the International Federation of Freight Forwarders Associations, was founded in Vienna, Austria on May 31st 1926. It is a non-governmental organisation that today represents an industry covering approximately 40,000 forwarding and logistics firms, employing around 10 million people in some 160 countries. FIATA has consultative status with the Economic and Social Council (ECOSOC) of the United Nations (inter alia ECE, ESCAP, ESCWA, etc.), the United Nations Conference on Trade and Development (UNCTAD), and the UN Commission on International Trade Law (UNCITRAL) as well as many other UN related bodies, e.g. the World Bank. It is recognised as representing the freight forwarding industry by many other governmental organisations, governmental authorities, private international organisations in the field of transport and logistics, such as the European Commission (through CLECAT), the International Chamber of Commerce (ICC), the International Air Transport Association (IATA), the International Union of Railways (UIC), the International Road Transport Union (IRU), the World Customs Organization (WCO), the World Trade Organization (WTO), etc.
