## **Air Canada Cargo award contract for upgrade-planning phase of Toronto Airport hub**

**September 22, 2016  
Montreal**

Air Canada Cargo has awarded a major contract to Strategic Aviation Solutions Int'l (SASI) for the review and upgrade-planning phase of their Cargo Hub at Toronto Pearson International Airport.

The scope of the project is a complete review and upgrade proposal for the facility including the I.T. enhancements and material handling processes in order to ensure maximum efficiency and customer satisfaction.

“We are very proud to be awarded this major contract with such a prestigious client as Air Canada Cargo in the North American Market. SASI has engaged BeCon Projects to assist and ensure a complete and timely delivery to the full satisfaction of Air Canada Cargo,” stated Stan Wraight of SASI and Uwe Beck of BeCon.
