## **YUSEN LOGISTICS EXPANDS ITS EUROPEAN NETWORK WITH LAUNCH IN SWITZERLAND**

Global logistics service provider Yusen Logistics is continuing to grow its network and will open its first location in Switzerland on 1<sup>st</sup> January 2017.

Yusen Logistics will be represented in Switzerland with a branch office, which expands its European network to a total of 78 locations.

The new operation, located close to Zurich Airport, will be offering its full range of integrated supply chain solutions, including air and ocean freight services, land transportation and Customs clearance. Further value-added services such as storage and domestic distribution can be offered on request.

Yusen Logistics offers particular expertise in the fields of aerospace, automotive, pharmaceuticals & healthcare, retail, technology & food, with specialist colleagues creating tailored solutions to diverse and complex requirements. Clients of the new branch in Switzerland will enjoy full access to the company's total range of services.

Ian Veitch, Chief Regional Officer, Yusen Logistics Europe said, "This expansion in Switzerland represents an important strategic step for us. As well as serving our customers better with a personal contact on-site, we will be in a position to create new solutions throughout our global network, efficiently getting our customers' products to their end destinations on time."
