

Jan de Rijk Logistics signs RFS and Handling contract for Garuda Indonesia

Jan de Rijk Logistics is proud to announce that it has signed an agreement with Garuda Indonesia. The road feeder service and handling agreement is providing Garuda Indonesia an extensive network to 30 major European airports from its European hub at Amsterdam Airport where it is currently operating 4 flights a week.

Vice President of SBU Garuda Cargo, Rajendra Kartawiria said that Garuda Indonesia decided to work with Jan de Rijk as a partner to provide trucking service in Europe because the company has more than 37 years of experiences in cargo trucking services.

He stated that the cooperation is in line with the long term program of the company as stated in the Quantum Leap 2011 – 2015. "(This cooperation) is related to the expansion of Garuda Indonesia flights' network, particularly the of international cargo shipping as an effort to improve services to our users," said Rajendra on Friday, June 7, 2013.

The agreement was signed on the Air Cargo Europe exhibition in Munich by Rajendra Kartawiria and the CEO of Jan de Rijk Logistics, Sebastiaan Scholte (*picture*)

Jan de Rijk Logistics, based in the Netherlands, is a leading provider of transportation and distribution services, operating a large, modern and diversified fleet of 650 vehicles across Europe. The company also offers warehousing services and retail distribution. Jan de Rijk Logistics has 25 offices in 15 countries and employs more than 1,000 staff in Europe.
