

## **NORBERT DENTRESSANGLE EXPANDS RAPIDLY IN UKRAINE**

As part of its continued global development strategy, Norbert Dentressangle has reinforced its presence in Central and Eastern Europe with the opening of a new warehouse near Kiev in the Ukraine.

Located in Belogorodka, seven km from the Kiev ring road, the new 14,000 sq m shared-user facility will support both local clients and global customers and will support Norbert Dentressangle's continued growth in the region.

Pascal Le Roux, General Manager of the Logistics Division of Norbert Dentressangle in Ukraine, said: "Having a warehouse in Kiev helps us handle the growing amounts of logistics projects in the region, strengthen relationships with local clients, and better serve global clients who are expanding into the growing markets.

"Our presence in Kiev further strengthens our position in Central and Eastern Europe and provides our growing customer base with improved access to the latest logistics technologies and solutions."

Norbert Dentressangle currently employs more than 30 people in the Ukraine and expects this number to double as the company continues to attract new customers. With specialist expertise in the provision of innovative, integrated logistics solutions to customers in key sectors including retail, electronics, industrial, tyres and automotive, Norbert Dentressangle aims to become the partner of choice for companies seeking optimal, cost effective supply chain solutions.
